EXPERTS FOR EXPERTS announces new partner for the USA

Basel, April 6, 2011. Experts for Experts International AG (e4e), the world's leading international global management consulting and executive search network focused on the transport and logistics industry, is delighted to announce that Kimmel & Associates has joined the network. This increases the number of shareholders and partners in e4e to thirteen and extends the network's reach to 18 countries.

The conclusion of the new partnership agreement represents a major step forward in enlarging the footprint of e4e in terms of customer base, turnover and geographical spread.

Kimmel & Associates is one of North America's premier executive search firms in the area of supply chain management, freight forwarding, and logistics. The company is recognized for delivering high quality consultative senior-level executive search services and corporate Board searches to clients ranging from the world's largest companies and private equity firms to smaller family owned enterprises. Clients include Fortune 500 manufacturers, freight forwarders, distributors, retailers, 3PL's and carriers - ground, air, rail and ocean - both in the United States and elsewhere. Serving the industry since 1981, Kimmel has successfully completed extensive numbers of searches and their personal touch and long-term relationships with clients makes them an excellent fit with the e4e ethos which focuses on the importance of relationship and attention to detail.

Much of Kimmel's business is retained search engagements. For e4e, this was a crucial indicator demonstrating that existing e4e clients would be ensured of the same high standard of attention to detail for international search assignments as they have come to expect in the service received to date.

This combination of enhanced geographical coverage and in-depth industry knowledge which Kimmel partnership brings to the relationship will ensure that e4e continues to be strategically placed to solve any strategic executive search needs across the globe in the transport and logistics field.

Commenting on the announcement, Santiago Tarin, President of the Executive Board of e4e said, ***"We are delighted to have Kimmel & Associates on board. Their executive search experience, industry knowledge, and insight into the North American market expands the e4e network's ability to serve global players even better on an international basis."***

Speaking at the announcement, Charlie Kimmel, President of Kimmel & Associates said, ***"We are excited to be the newest member of the e4e network. This is part of our strategic goal to provide truly worldwide coverage for our clients. e4e's outstanding network of contacts and high level relationships in Europe and Asia are an excellent fit. Their focus on integrity and service aligns well with our own mission here."***
